ORGANISING AUTHORITY (OA)

The 2nd edition of the GLOBE40 is organised from August / September 2025 to March / April 2026 by the SIRIUS EVENEMENTS company, an establishment affiliated to the French Sailing Federation (FFVOILE).

The Pre-Notice of Race sets out the general framework for the event.

The Notice of Race will be published on 1 September 2023.

1 / RULES

The race will be governed by:

1. The regulations as outlined in the Racing Rules of Sailing (RRS) in use.
2. The regulations of the French Sailing Federation (Fédération Française de Voile).
3. The prescriptions of the FFVoile translated for foreign competitors.
4. WORLD SAILING's Offshore Special Regulations (OSR), category 1 monohulls.
5. The CLASS40's Class Rules.
6. The following RRS are modified : to be completed
7. Registration in the Globe 40 implies full and unreserved acceptance of all the measures set out in this Notice of Race. The OA reserves the right to amend this Notice of Race if specifications or modifications prove necessary for the safety and/or sportsmanship of the race.
8. In the event of conflict between the Rules or in the event of uncertainty about the prevalence of the Rules that apply, the Jury will decide which rules applies.
9. Where this Notice of Race is translated, the French text will take precedence. For OSR and RRS, the English text will take precedence.

2 / ADVERTISING

In accordance with WORLD SAILING Regulation 20 (Advertising Code), as modified by the FFVoile's (French Sailing Federation) advertising regulation, boats will be required to display the advertising chosen and provided by the OA.

3/ ELIGIBILITY

3.1 Eligibility :

The event is open to monohulls in order with the Class 40 measurement and rules (2025 and 2026 subscription and measurement certificate).

3.2. Crew :

3.2.1 The race is to be sailed double-handed. Any boat must have the same two people aboard all the time, subject to RRS 1.1 and 41.

3.2.2 The event is open to any person aged at least 18 years of age the day the first leg starts.

3.2.3 French competitors (each member of the crew) must have an FFVoile licence:

- their valid FFVoile Club 'competition' licence attesting to the earlier presentation of a valid medical certificate with no contraindications to the practice of competitive sailing
- or their valid FFVoile Club 'member' or 'practice' licence accompanied by a valid medical certificate with no contraindications to the practice of competitive sailing, dating less than one year,
- authorisation for the boat to display advertising, if necessary,
- a valid WORLD SAILING training certificate (Sea Survival course and PS Mer (Offshore First Aid) training) carried out at an approved WORLD SAILING centre.

3.2.4 Overseas competitors (each member of the crew) who do not hold an FFVoile (French Sailing Federation) licence must provide the following documents:

- proof of membership for a National Authority that is a member of WORLD SAILING
- valid third-party liability insurance for a minimum cover of 3-million Euros

Non-French skippers shall also provide:

- either valid WORLD SAILING certificates (Sea Survival course and PS Mer (Offshore First Aid) training) carried out in an approved WORLD SAILING centre,
- or sea survival certificates and First Aid certificates as required in OSR articles 6.01 and 6.05.2. This training shall be "WORLD SAILING Approved".

3.3.5 Medical documents relating to the crew members: each crew member is responsible for:

- ensuring that his/her medical and physical condition is compatible with the constraints of the race,
- being honest with the medical consultant about any pathology of which he or she is aware that may affect his or her safety or that of a third party during the event.

Each participating crew member shall provide:

- the medical form supplied by the OA, completed, dated, stamped and signed by his or her doctor endorsing the requested information, and also dated and signed by the competitor
- the results of a cardiogram
- the results of an exercise tolerance test dating less than 4 years

A medical 'consultant' for the competition will be designated by the OA (and subject to medical confidentiality). His or her main tasks will be to evaluate the medical file, possibly including the results of additional examinations requested by his or herself or by the attending physician, and to assess the racer's ability to take part in the competition.

All these medical documents shall be sent to the medical consultant by post or in a sealed envelope to retain confidentiality for his/her benefit.

Where the requested information is lacking or insufficient the competitor's participation will not be validated from a medical viewpoint.

3.2.6 All the documents mentioned in 3.3.3 / 3.3.4 / 3.3.5/ shall be passed on to the OA by the time registration closes on 1 May 2025 at the latest.

3.3. Change of crew

A change of one of the two members of the crew is permitted at each stopover. Both members will be allowed to be changed over at a stopover provided that their replacements have sailed a previous leg or have received authorisation from Race Direction, which will base its decision on the offshore racing experience of the replacement crew.
